

EUREKA! EINSTEIN KIT

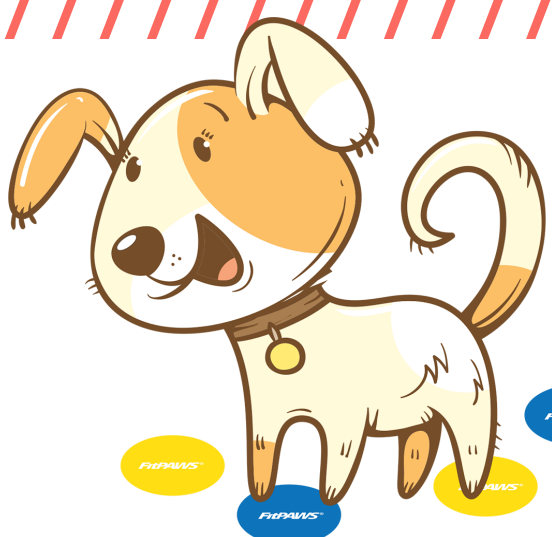

EXERCISE SMART-BRAIN GAMES

TARGETS AND PAW PODS

EXERCISE 1 - PAW PODS

Teach your dog rear end awareness by lining the Paw Pods in a row, then have your dog walk backwards and reward when their back feet touch a FitPAWS® Paw Pod.

EXERCISE 2 - TARGETS

Teach your dog to step on a specific mark.

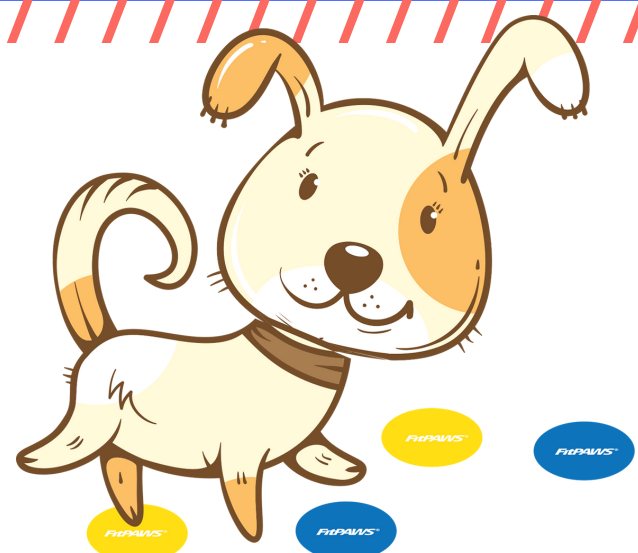

BONUS! Step on double mark

EXERCISE 3 - PAW PODS

Teach your dog Front end awareness by rewarding when front feet are on the FitPAWS® Paw Pods.

EXERCISE 4- TARGETS

Spread the FitPAWS® Targets apart, and have your dog run from Target to Target.

EXERCISE 4 - PAW PODS

Your Dog can learn to use all Paw Pods by rewarding them when front feet are on the FitPAWS® Paw Pods, and then back feet. They will learn individual limb awareness.

Remember to always check with your veterinarian before starting any exercise routine with your dog.
